

Multicolour and Uniqueness—The Groninger Museum

Compiled by: Li Yibai

1-2

Abstract: The colourful Groninger Museum draws more than 200,000 visitors a year and is known for its unique building and changing exhibitions. Along with the temporary shows, the world-famous permanent collection shouldn't be missed. The Groninger Museum has proven over the years that a museum can be a place for both study and relaxation. It is bursting with artistic energy, which is obvious as you pass by.
